

COBRA™

S E R I E S

STRIKING THE PERFECT BALANCE

There are many reasons why this rear loader is the contractor's choice. The Cobra™ is equipped with a large customizable hopper on a single-axle chassis, externally mounted cylinders for easy maintenance, and automatic tailgate locks with outside level controls. Not only does this refuse truck include one of the highest compaction bodies in the industry, and a variety of steel and plastic container handling options, the Cobra™ manages it all and continues to dominate the industry.
