

CANCELED ORDERS

- Canceled orders will be subject to a 20%-30% cancellation fee. A canceled order consists of an order in which it has been processed to the stage of receiving an order acknowledgment.
 - The percentage of the cancellation fee will be at the discretion of the Parts Department.

- All orders for weldments such as sweeps, slides, arms, eject panels, etc. will be charged the maximum 30% cancellation fee.

- Orders for specialty nonproduction parts, such as options specific to customer specs, or obsolete production parts cannot be canceled once in production. You can elect not to have these parts shipped to save on shipping charges, but the order will be invoiced.

- Orders that have been shipped and are refused by the Dealer or the Customer will not be credited and you will be charged for the return freight.

- All orders that have been packaged and are ready to ship will be charged the maximum 30% cancellation fee.

HANDLING FEES

- There will be a \$25.00 Pallet fee on all orders shipped on pallets in units or picked up by customers.

SHIPPING POLICIES

ORDERS SHIPPED IN UNITS

- We request a 2 week notice prior to body's completion for all orders shipped within. DO NOT place orders shipping in units prior to 3 weeks before their completion date.
- Orders that are being shipped in non-mounted bodies cannot be changed once order is placed.
- Orders will not be allowed if body is scheduled to ship in less than 3 days, or is more than 3 weeks from completion.

UPS Shipments

- Items over 100 pounds will ship LTL unless absolutely necessary. These orders will be at Dealers/Customers own risk, New Way Parts will not be liable for lost or damaged shipments.
- UPS will not guarantee Expedited shipping (NDA, 2nd Day Air 3 Day Select) on items over 70 pounds that cannot ship in UPS approved boxes, New Way is not liable for delayed shipments and therefore will not reimburse shipping charges.
- New Way Parts will ship orders collect on customers UPS accounts, but we will not reimburse shipping charges if we forget to use your account.
- Customers cannot use call tags to have orders picked up, this is to assure orders do not get shipped into other Dealer's territories.

LTL Shipments

- Orders sent to residential addresses and orders requiring a lift gate will be subject to additional freight charges if we are not made aware of this at the time of the order.
- Customers will not be allowed to arrange their own shipping; this is to assure orders do not get shipped in other Dealer's territories.
- New Way Parts uses a Logistic Company; we try to use the carrier which gives us the best price and best delivery time. If you prefer a certain carrier please notify us and we will note it in our system.
- New Way Parts may choose to ship certain items UPS, in addition to the LTL shipment, so they do not get lost or damaged.

RETURN PROCESS

- Contact New Way Parts Department for an RMA number by email or phone.
 - Required information: Part number, quantity, original purchased invoice number
 - Product must be in new, unused and resalable condition
 - Non-warranty items will be subject to a restocking fee
- An RMA number will be generated by the Parts Dept. & an RMA Receiver Document will be emailed to the requester containing return process instructions.
- All return part(s) must be sent with shipping cost prepaid unless otherwise authorized by the Parts Dept.
 - Return part(s) sent freight collect will not be accepted.
- When returning parts via truck freight, the RMA number must be included on the bill of lading. This will help with identification in the event of loss/damage during transport.
- Parts received by New Way without proper paperwork and identification will not be issued a credit.
- All parts must be returned within 60 days of receiving authorization.

ANNUAL RETURNS

A distributor active in the dealer stocking programs will be allowed one “annual return” per year. This return may be sent at any time during the year with no restock fee charged. These parts must be new and labeled with the correct New Way part numbers. New Way reserves the right to reject any part(s) that are determined obsolete. Other parts such as, but not limited to, tailgate seals, filter o-ring kits, cylinder seal kits, electrical components may also be refused for return. This annual return is meant to rotate dead stock out of your inventory, not to return parts ordered in error. Parts that were sold as part of a kit are nonrefundable. Only parts purchased in the last 2 years will be allowed under the annual parts return policy. Parts purchased within 6 months of annual return request are not eligible. Required information for an annual return will require quantity, part number, and original purchase invoice number for all line items returned.
